

ORDINANCE NO. 60-68-2

AN ORDINANCE AMENDING ORDINANCE NO. 60-66-1 REGULATING THE LOCATION, CONSTRUCTION, SIZE, AND MAINTENANCE OF SIGNS, BILL BOARDS, MARQUEES, CANOPIES AND AWNINGS IN THE CITY OF ATLANTIC BEACH, DUVAL COUNTY, FLORIDA; BY DELETING THEREFROM PARAGRAPH 11 IN SECTION II THEREOF, AND SUBSTITUTING THEREFOR A NEW PARAGRAPH 11; BY DELETING THEREFROM PARAGRAPH 8, ITEM B, SECTION IV AND SUBSTITUTING THEREFOR A NEW PARAGRAPH 8; AND ADDING A NEW PARAGRAPH DESIGNATED AS PARAGRAPH 11, ITEM B, SECTION IV THEREOF.

BE IT ENACTED BY THE PEOPLE OF THE CITY OF ATLANTIC BEACH, DUVAL COUNTY, FLORIDA:

SECTION I.

Paragraph 11 of Section II Exemptions, Ordinance No. 60-66-1, is hereby amended to read as follows:

"Directional signs of any religious, charitable, fraternal, civic organizations, or business establishments operated within the City, having a meeting place, club house or other site within the City for the purpose of indicating the place where such club house, meeting place or site is located in the City. Such directional signs shall not exceed 3' x 4' and not more than 10' in overall height above ground level. These directional signs shall not exceed four (4) in number for each business or organization and must be no less than 1000' from another directional sign of the same business or organization. Any directional sign existing at the time of passage of this section of the Ordinance shall be allowed to remain until such time as the condition of the sign becomes unsafe, unsightly, or in need of major repairs, at which time it shall be removed. Any structural repairs to existing signs shall not be made without a permit. Before any directional signs can be installed after the passage of this section of the Ordinance, a permit must be obtained from the City specifying design, lighting, if any, and location".

SECTION II.

Paragraph 8 of Section IV, Item B, General Provisions, Ordinance No. 60-66-1, is hereby amended as follows:

"Registered Engineer's drawings must be submitted with applications for roof signs over fifty (50) square feet in area, and for any sign, the top of which is more than seventeen (17) feet above the ground or weighing more than one thousand (1,000) pounds, or any solid sign of area more than thirty (30) square feet, showing that such sign will be

SECTION II (Continued)

erected to withstand a wind pressure of at least thirty-five (35) pounds per square foot and that the weight of such sign will be amply supported by the roof of the building or the ground support on which it is to be erected".

SECTION III

To Section IV, Item B, General Provisions, Ordinance No. 60-66-1, add paragraph 11 as follows:

"Sign area shall be computed as the smallest square rectangle, triangle, circle or combination thereof which will encompass the entire advertising area excluding architectural trim and structural supports. When computing sign area, only one side of a sign containing two faces shall be computed".

SECTION IV

This Ordinance shall become effective immediately upon final reading.

* * * * *

Passed by the City Commission on first reading on April 22, 1968.

Passed by the City Commission on second and final reading on May 13, 1968.

Attest:

Adele S. Grage
Adele S. Grage
City Clerk

(SEAL)
