WHEREAS, the City, to facilitate the implementation of the enforcement of the covenants and restrictions that are within its legal province to enforce, it being hereby acknowledged that the City's approval of the quality of workmanship and materials is limited to compliance with the Southern Standard Building Code, and that the City will make no judgment as to harmony of exterior design and location with existing structures and requirements for ornamental plantings, and that provisions as to location with respect to front, rear and side lot lines, topography and finish grade elevation and the location of subsidiary structures as herein outlined will be enforced by an amendment to the City's zoning ordinance passed, or to be passed, creating zoning classifications known as Residence AAA-SM11 and Commercial-SM11, and appointing a Special Advisory Planning Board, hereinafter referred to as the "Board", whose functions are as hereinafter set forth:

NOW, THEREFORE, for and in consideration of the premises and for other good and valuable considerations, the Developer, for itself and its successors and assigns, does hereby restrict the use, as hereinabove provided, of all of the lots included in said plat of Selva Marina Unit No.11, and does hereby place upon said lots the following covenants and restrictions, to run with the title to said lots, and the grantees of any deed conveying any lot or lots shown on said plat, or on any parts or portions thereof, shall be deemed by acceptance of such deed to have agreed to all of such covenants and restrictions, and to have covenanted to observe, comply with and be bound by all such covenants and restrictions as follows:

After December 31, 1999, these restrictive covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by the then owners of a majority of the lots in said subdivision has been duly recorded, agreeing to terminate or change said covenants in whole or in part.
