2040 Community Vision

In Atlantic Beach, we have a strong sense of belonging and safety. Our citizens and government care deeply about community character, and we understand that unified support is required to preserve it. We are graced with the functional beauty of our beach, our marsh, and our tree canopy. Our shady streets and multi-use paths connect our welcoming neighborhoods and vibrant local businesses. Our city supports our diverse, multigenerational, socially linked community with green spaces, active lifestyles, parks, and programming.
